

Pravin Mourya -21

Interior Designer

I'm a third-year Interior Design student skilled in Photoshop, AutoCAD, SketchUp, Enscape, and V-Ray, currently learning 3ds Max and Blender. Experienced in designing residential, café, lawyer-office, and gaming-arcade projects through detailed college work. I've also freelanced on 3D modeling for themed restobars, gaming arcades, and residential concepts. Strong in working drawings with a solid practical understanding of services.
